The Australian Forestry & Forest Products Sector

Melbourne, Australia | 7 & 8 August 2014 Bayview Eden Melbourne Hotel

DANA Conference to debate the Australian domestic forest industry sector, and its wider role in the Pacific Rim as an import market and an export supplier.

Fourteen Australian and eight international speakers complete the line up.

A premiere event covering an industry which generates \$22 billion annual turnover and employs 120,000 people.

Topics Include:

- Timberland investment
- Logs
- Woodchips
- Sawn timber
- Wood panels
- Pulp
- Paper
- Wood pellets
- Carbon
- And much more
