ACCESS

Visitors flying directly to Rotorua will land at Rotorua International Airport, 8km drive from the centre of the city. Most will then travel the short distance into Rotorua by taxi or shuttle, or for something a little different, stretch limousines and other prestige cars can be arranged.

Rotorua's airport is serviced by Air New Zealand and is the gateway to the central New Zealand regions of Bay of Plenty, Coromandel, Hawke's Bay, Ruapehu, Lake Taupo and Waikato. Regular daily flights operate into Rotorua from Auckland, Wellington and Christchurch, and from across the Tasman directly from Sydney.

GETTING AROUND

Central Rotorua is easy to explore on foot. For those travelling further afield, hop-on hop-off bus services are a great way to visit 13 of the city's top sites. Luxury coaches are also available, or for a convenient small-group option, catch a taxi or shuttle.

ACCOMMODATION

With more than 14,000 beds on offer, it's easy for business and incentive travellers to find accommodation to suit their tastes when attending a conference or event in Rotorua. Lake, bush and rural luxury retreats nestle in secluded spots, while 13 accessible hotels and more than 75 motels and motor inns provide convenient bases for delegates who want to base themselves centrally.

VENUES

Rotorua has a variety of flexible meeting and event venues, from purpose-built venues on the edge of Lake Rotorua, to mountaintop options accessible by gondola.

The city's largest venue is the modern Rotorua Energy Events Centre. Located on the edge of Lake Rotorua within the manicured and picturesque Government Gardens, the large 8,255m² centre incorporates ten separate spaces ideal for conferences, exhibitions, and award dinners. Rotorua Energy Events Centre can accommodate 2,600 delegates for a seated banquet, or 4,000 people theatre style.

The centrally located Rotorua Convention Centre, has capacity for up to 1,000 people, and Skyline Rotorua, perched on top of Mt Ngongotaha is capable of accommodating up to 500 guests for a banquet dinner or 1,000 guests for a cocktail function. Skyline Rotorua offers great views over Rotorua and the surrounding landscape, and the cabins of the on-site gondola can be themed for incentive groups and corporate functions.

Other venue options are many and varied, from modern events centres offering the latest technology to unique open air dining venues surrounded by redwood trees. All Rotorua venues offer enticing food and beverage and quality services to create memorable events.
